

Dead Man Found in Automobile

Thirty-four-year-old Lawrence P. Brown, 1105 W. 252nd St., Harbor City, was found shot to death in his car early Sunday.

Police said Brown's body was discovered about 9:30 a.m. in his car on Marigold Avenue just south of Lomita Boulevard in Harbor City.

Investigating officers said the killer apparently walked up behind Brown and shot him with a shotgun. The fatal shot was fired through the left rear window.

Brown was last seen alive about 1:30 a.m. Sunday when he left a card party at the home of some friends.

...Drill

(Continued from Page 1) Three persons were tagged as dead.

HOSPITALS which received patients included Hawthorne Community, South Bay, Gardena Memorial, Torrance Memorial, Little Company of Mary, Harbor General, Kaiser, and Bay Harbor. Each of the hospitals set up emergency treatment areas so as not to interfere with regular services during the exercise.

Members of REACT, a group of radio buffs from this area, helped provide communications for the exercise.

Dr. William Davies served as coordinator of the program. He called the exercise a success.

DR. KENDRICK said leaders of the drill will meet in about two weeks to evaluate the exercise. Observation Sunday was carried out with the use of the Goodyear blimp Columbia.

"Things went well considering this was the first exercise of this kind in the Torrance-South Bay area," Dr. Kendrick said.

He said communications posed some problems because of static. As a result, he added, he will recommend that hospitals install citizen band radio antennas to prevent similar problems in the future.

Some 400 persons were involved in the exercise, Dr. Kendrick said.

The medical association hopes to stage one or two similar drills each year.

Traffic Mishap Injures Woman

Two elderly women suffered possible broken bones Sunday when their car collided with another vehicle at the corner of Arlington Avenue and Plaza del Amo.

Rushed to Little Company of Mary Hospital for treatment of facial cuts and injured ankles were Mrs. Myrtle A. Davenport, 75, of 2221 Gramercy Ave., and her passenger, Mrs. Cecile Shales, 69.

The suspect is William R. Johnson Jr., 39, of 1326 1/2 Engracia Ave. Johnson totally demolished his car when he rammed into a pickup truck driven by Richard Lee Clark, 31, of 22037 Delores Ave. Johnson's car then glanced off another car driven by Michael Bonn of Van Nuys, police said.

All three vehicles were eastbound on Sepulveda Boulevard at the intersection of Hawthorne Boulevard when the collision occurred.

Still another car was totally demolished in a third traffic mishap Sunday. A vehicle driven by Patricia L. Dunn, 4303 W. 180th St., was badly damaged when it collided with a station wagon driven by Randy Veinot, 19, of Redondo Beach.

Also involved in the collision was a car driven by Robert Schmidt, of 3922 Emerald Ave.

Veinot was thrown from his car. The crash occurred at the intersection of Artesia Boulevard and Prairie Avenue. He and Mrs. Dunn were both treated for scrapes at Little Company of Mary Hospital.

Find Body Of Youth In Auto

A 20-year-old Torrance youth apparently took his own life Tuesday morning in the Meadow Park area west of the Torrance Municipal Airport.

The body of Mitchell Vladimir, 24233 Madison Ave., was found in the youth's car about 10 a.m., police reported. The car was parked near a garage located at the rear of 23653 Madison Ave.

Police were called to the scene by Arthur Shirk, 24501 Falena. Investigating officers said the engine Vladimir's car was running and a vacuum cleaner hose was attached to the exhaust and run into the car through the right rear window.

The body was identified by Vladimir's 18-year-old brother, Rocky, who told police he had been fearful the older boy might try to take his life.

...Shooting

(Continued from Page 1) drove around the hotel corner.

Yarboough followed the pair into the hotel and when he was within six feet of the two, opened fire, emptying the gun at them, Harbor Division detectives said, describing the weapon as a .22 caliber pistol.

Lungsborg panicked and climbed four flights of stairs to hide on the roof of the building. Mrs. Yarboough did not tell police another man was shot and Schaeffer's Ambulance Service took her to Harbor General hospital.

YARBOUGH was arrested about 3 a.m. after a search.

At 4:30 a.m. Lungsborg called police and told the desk officer he'd been shot at the hotel, too, officers said.

Returning to the hotel they found him in the lobby and he was sent to Long Beach Memorial Hospital with bullet wounds in the arm and side.

Mrs. Yarboough is in the intensive care ward at Harbor General in critical condition with bullet wounds in the left temple and stomach.

Yarboough was booked at Harbor Division.
